U/D LOG Elect ⁴	3	_____	_____
U/D LOG Elect ⁴	3	_____	_____
Elective ¹	<u>0-2</u>	_____	_____
	12-14		

¹ Upper or lower division courses.

² ECON 201 **or** ECON 202 (not both) may be used to satisfy 3 credits of Social Science GER. The other 3 credits of Social Science GER will be met with completion of BA 151.

³ The internship is intended to be in logistics and/or supply chain management. This requirement may be waived if the program advisor determines that the student already has significant work experience. If waived, the student will need to select 3 additional business upper-division credits to total 48. Students must discuss the internship requirement with their advisor early in the semester, **before registering for this course**.

⁴ Major electives may include courses listed here. In addition **300- or 400-level business courses may be used, but an Academic Petition must be approved before the course(s) can be counted toward the degree. Please see your advisor before selecting your 9 credits of upper-division electives. Students must satisfy course prerequisites before registering.**

ACCT 342 Managerial Cost Accounting
 ATP 332 Transport Aircraft Systems
 BA 347 International Marketing
 BA 375 Statistics for Business & Economics
 BA 383 Marketing Research
 ECON 363 International Economics

CIS 310 Analysis of Business Systems
 CIS 330 Database Management Systems
 CIS 410 Project Management
 CIS 489 Systems Design & Implementation
 ECON 312 Econometrics
 ECON 329 Econ & Bus Forecasting

DAU courses with LOG, ACQ or CON prefixes in acquisition management, logistics or procurement/supply chain management and approved by the Army Council on Education (ACE) for UD credit may be used as upper-division electives. Other ACE approved courses may be used with advisor approval.

⁵ For BBA students, COMM 111 or COMM 241 is required for upper-division standing and is a prerequisite for CIS 280.

⁶ Admission to Upper-Division Standing does not waive individual course prerequisites (e.g., course pre-requisites for BA 377 are: BA 273 and MATH 221/251).

⁷ Students are required to complete a minimum of three credits of Alaska Native-Themed GER coursework from the approved GER list. If the course is also categorized as a GER (in a separate category), it can overlap and count for both categories. If this overlap occurs, then for this planning sheet, students will fulfill these 3 credits with an Elective instead (see note 1 above).

NOTE: A total of 120 credits is required for the BBA degree, 48 of which must be upper-division. At least 50% of the business credits (ACCT, BA, CIS, ECON, LGOP and LOG) required for the BBA degree must be earned at the University of Alaska Anchorage.

A grade of C or better is required for all major requirements. This is a suggested sequence for taking courses and it **not intended to take the place of the program requirements listed in the UAA Catalog. Please contact your academic advisor for more information.** UA is an AA/EO employer and educational institution and prohibits illegal discrimination against any individual: <http://www.alaska.edu/titleXcompliance/nondiscrimination/>
