Description of Work Experience

The University of Alaska Anchorage
College of Business & Public Policy
3211 Providence Drive
Anchorage, Alaska
99508-8244

In 2000, I was hired at the rank of Assistant Professor on tenure track and joined the Business Administration Department. My teaching responsibilities were in undergraduate corporate finance and logistics. In 2001, I joined the newly formed Logistics Department with teaching responsibilities for undergraduate and graduate logistics courses. I also taught corporate finance as an adjunct. From 2002-17, I was director of the Master of Science in Global Supply Chain Management Program.

In 2005 I was granted tenure in the Logistics Department and promoted to the rank of Associate Professor. From January 2009 to June 2013 I served as chair of the department. In 2010 I was promoted to the rank of Professor. In 2023 I was awarded the title of Professor Emeritus of Logistics.

My committee work has been: at the department level on faculty hiring committees; college-wide as chair of the Curriculum Committee, member and chair of the MBA Committee, chair of the Seminar Committee; and university-wide as the college representative on the UAA Undergraduate Academic Board and the UAA Honors Committee.

Other university service has involved: library liaison for the College of Business & Public Policy and manager of the Logistics Department's website.
