² General Course Requirements: Choose one or a combination of Humanities, Math, Natural Sciences or Social Sciences courses. (See UAA General Course Requirement Classification List for eligible courses.) It is recommended that no more than 3 credits in Arts, 6 credits in Humanities, and 7 credits in Natural Sciences be used to fulfill this 6 credit requirement. Any English course used to satisfy the Humanities requirement must be different from the Written Communications requirement and have a course number higher than ENGL 111.

³ Written Communication Skills Requirement can be satisfied with CIOS 260A, ENGL 211, ENGL 212, ENGL 213, or ENGL 214. Option to take CIOS 260A for the Written Communication Skills Requirement applies to AAS degrees only. Students planning to pursue baccalaureate degrees can maximize transferability of their credits by taking **ENGL 212**.

⁴ Students planning to pursue a BBA degree can maximize transferability of their credits by taking **COMM 111** or **241**.

⁵ Choose humanities or natural sciences course from the General Education Requirement (GER) list that satisfies both the AAS and Baccalaureate degrees. See the UAA Catalog for the current GER list.
