¹ Students planning to pursue a BBA degree can maximize transferability of their credits by taking **COMM 111** or **241**.

² ACCT 101 and 102 may be substituted for ACCT 201.

³ Students must complete 6 credits selected from Humanities, Mathematics and Natural Sciences, or Social Sciences from the AAS General Course Requirement Classification List, other than BA 151 and MATH 105, or MATH 121/151.

ECON 201 and ECON 202 are strongly recommended to satisfy the 6 credits of AAS General Course Requirements. These courses are required for BBA degrees.

⁴ Written Communication Skills Requirement can be satisfied with CIOS 260A, ENGL 211, ENGL 212, ENGL 213, or ENGL 214. Option to take CIOS 260A for the Written Communication Skills Requirement applies to AAS degrees only. Students planning to pursue baccalaureate degrees can maximize transferability of their credits by taking **ENGL 212**.

⁵ Complete 9-12 credits of electives from the following list:

- BA 131 Personal Finance
- BA 242 Business Law II
- BA 273 Introduction to Statistics for Business and Economics
- LGOP 110 Logistics, Information Systems and Customer Service
- LGOP 120 Warehouse and Inventory Control Operations
- LGOP 160 Purchasing and Supply Management

Or any 300-level business course provided the prerequisites have been met. All ACCT, BA, CIS, ECON, LGOP, and LOG are considered business courses.

Students who may decide to pursue a Bachelor of Business Administration degree can maximize transferability of their credits by taking MATH 121/151, BA 273, and any 300-level business course as long as prerequisites have been completed.

NOTE: A total of 60 credits is required for this degree. Students planning on seeking a BBA degree in the College of Business and Public Policy must complete all business courses with a grade of C or better.

This is a suggested sequence for taking courses and is not intended to take the place of the program requirements listed in the UAA Catalog. Please contact your academic advisor for more information.
