¹ Students must take the ACCT 101–ACCT 102 sequence.

² Students planning to pursue a BBA degree can maximize transferability of their credits by taking **COMM 111** or **241**.

³ Written Communication Skills Requirement can be satisfied with CIOS 260A, ENGL 211, ENGL 212, ENGL 213, or ENGL 214. Option to take CIOS 260A for the Written Communication Skills Requirement applies to AAS degrees only. Students planning to pursue baccalaureate degrees can maximize transferability of their credits by taking **ENGL 212**.

⁴ General Course Requirements: Choose one or a combination of Humanities, Mathematics, Natural Sciences, or Social Sciences courses. (See UAA General Course Requirement Classification List for eligible courses.) It is recommended that no more than 3 credits in Arts, 6 credits in Humanities, and 7 credits in Natural Sciences be used to fulfill this 6 credit requirement. Any English course used to satisfy the Humanities requirement must be different from the Written Communications requirement and have a course number higher than ENGL 111.

Students must complete 6 credits selected from Humanities, Mathematics and Natural Sciences, or Social Sciences from the AAS General Course Requirement Classification List, other than BA 151, ECON 201, and MATH 105.

⁵ Students planning to pursue a BBA Accounting degree should take ACCT 310 instead. Please note current prerequisites: ACCT 202 and ACCT 216 with a minimum grade of C.

⁶ Students may choose any course at or above the 100 level in Accounting (ACCT), Business Administration (BA), Computer Information Systems (CIS), Computer Information & Office Systems (CIOS), Economics (ECON) and Logistics (LOG), but may not use more than 6 credit hours from one discipline.

Students using CIOS 260A to meet an AAS Written Communication Skills General Course Requirement may not also apply it as an elective course for this major.

Students using an ECON course to meet an AAS General Course Requirement in the Social Sciences discipline may not also apply it as an elective course for this major.

NOTE: A total of 60 credits is required for this degree. **The AAS Accounting major requirements must be completed with a grade of C or better.** Students planning on seeking a BBA degree in the College of Business and Public Policy must complete all business courses with a grade of C or better.

This is a suggested sequence for taking courses and is not intended to take the place of the program requirements listed in the UAA Catalog. Please contact your academic advisor for more information.
