¹ Upper or lower division courses.

² ECON 201 or ECON 202 (not both) may be used to satisfy 3 credits of Social Science GER (3 credits must be non-business credits).

³ Effective spring 2010 semester students must take BA 273 Introduction to Statistics for Business and Economics.

⁴ The internship is intended to be in logistics and/or supply chain management. This requirement may be waived if the advisor determines that the student already has significant work experience. If waived, the student will need to select 3 additional upper-division credits to total 45. Students are urged to discuss the internship requirement with their advisor early in the semester, **before registering for this course**.

⁵ 9 credits of upper-division electives must be approved by the student's advisor. These may include, but are not limited to:

ACCT 342 Managerial Cost Accounting	CIS 310 Analysis of Business Systems	DAU courses with LOG, ACQ or CON prefixes in acquisition management, logistics or procurement/supply chain management and approved by the Army Council on Education (ACE) for upper-division credit may be used as upper-division electives. Other ACE approved courses may be used with advisor approval.
ATP 332 Transport Aircraft Systems	CIS 330 Database Management Systems	
BA 375 Statistics for Business & Economics	CIS 410 Project Management	
BA 420 Marketing Research	CIS 489 Systems Design & Implementation	
BA 447 International Marketing	ECON 312 Econometrics Bus/Econ	
BA 487 International Management	ECON 363 International Economics	
	ECON 429 Business Forecasting	

⁶ For BBA students, COMM A111 or COMM A241 is required for upper-division standing and for CIS A280 prerequisites.

⁷ Admission to Upper-Division Standing does not waive individual course prerequisites (e.g., course pre-requisites for BA 377 are: BA 273 and MATH 272).

NOTE: A total of 120 credits is required for the BBA degree. At least 50% of the business credits required for the BBA degree must be earned at the University of Alaska Anchorage. A minimum of 45 upper-division credits is required. **A grade of C or better is required for all major requirements.**

This is a suggested sequence for taking courses and it not intended to take the place of the program requirements listed in the UAA Catalog. Please contact your academic advisor for more information.
