¹Students must complete 6 credits selected from Humanities, Mathematics and Natural Sciences, or Social Sciences from the AAS General Course Requirement Classification List, other than BA 151, ECON 201, and MATH 107/172. General Course Requirements must be at the 100-level or higher. Students taking English and Mathematics courses must show evidence of appropriate placement including placement test scores or prerequisite classes. Contact your academic advisor or the UAA Advising & Testing Center for information on English and Mathematics placement before registering.

²Students planning to pursue a BBA degree can maximize transferability of their credits by taking **COMM 111** or **241**.

³Major electives may include courses listed here. In addition, **100-, 200-, 300-, or 400-level business courses may be used, but an Academic Petition must be approved before the course(s) can be counted toward the degree. Please see your advisor before selecting courses not on this list. No more than 3 credits of internship can be used to fulfill program electives. Students must satisfy course prerequisites before registering.**
