**A grade of C or better is required for all major requirements.**

**This is a suggested sequence for taking courses and is not intended to take the place of the program requirements listed in the UAA Catalog. Please contact your academic advisor for more information.**

# BBA ACCOUNTING

Accounting is often referred to as the “language of business,” because it communicates economic information to decision-makers. Every business organization, non-profit entity, and governmental agency requires accounting information to operate and perform successfully. The BBA in Accounting gives students a broad-based business background and provides a solid foundation for careers in public accounting, private accounting, and accounting for government or non-profit organizations.

Meet with your advisor to learn about the BBA in Accounting  
and employment options in this field.
