**A grade of C or better is required for all major requirements.**

**This is a suggested sequence for taking courses and is not intended to take the place of the program requirements listed in the UAA Catalog. Please contact your academic advisor for more information.**

## BBA FINANCE

The study of finance provides students with the tools needed to manage the financial resources of a business, a portfolio, or a person. The concepts covered in this major include financial planning, analysis, and management in a global context. Students will take an in-depth look at functions, structures, delivery systems, efficiency and performance measures for financial markets and institutions. The study of finance encompasses the creation of values for the stockholder, stakeholders, and society in general. Graduates with a BBA Finance degree typically find employment in corporations, non-profit and for-profit organizations.

Meet with your advisor to learn about the BBA in Finance  
and employment options in this field.
