¹ AAS Accounting students must take the ACCT 101–ACCT 102 sequence.

² Students planning to pursue a BBA degree can maximize transferability of their credits by taking **COMM 111** or **241**.

³ The AAS Written Communication Skills Requirements can be satisfied with ENGL A111, CIOS 260A, ENGL 211, ENGL 212, ENGL 213, or ENGL 214. The option to take CIOS 260A applies to AAS degrees only. Students planning to pursue a BBA degree can maximize transferability of their credits by taking **ENGL 212**.

⁴ General Course Requirements: Students must complete 6 credits from Humanities, Mathematics and Natural Sciences, or Social Sciences from the AAS General Course Requirement Classification List, other than BA 151, ECON 201, and MATH 105.

Any English course used to satisfy the Humanities requirement must be different from the Written Communications requirement and have a course number higher than ENGL 111.

⁵ Students may choose any course at or above the 100 level in Accounting (ACCT), Business Administration (BA), Computer Information Systems (CIS), Computer Information & Office Systems (CIOS), Economics (ECON) and Logistics (LOG), but may not use more than 6 credit hours from one discipline.

Students using CIOS 260A to meet an AAS Written Communication Skills General Course Requirement may not also apply it as an elective course for this major.

Students using an ECON course to meet an AAS General Course Requirement in the Social Sciences discipline may not also apply it as an elective course for this major.

A total of 60 credits is required for this degree.

The AAS Accounting major requirements must be completed with a grade of C or better.

This is a suggested sequence for taking courses and is not intended to take the place of the program requirements listed in the UAA Catalog. Please contact your academic advisor for more information.
