Major Elective[3]	3			Major Elective[3]	3		
Major Elective[3]	3			Major Elective[3]	3		
	15/16				15		

[1]General Course Requirements: Students must complete 6 credits from Humanities, Mathematics and Natural Sciences, or Social Sciences from the AAS General Course Requirement Classification List, other than BA 151, ECON 201, and MATH 105.

Any English course used to satisfy the Humanities requirement must be different from the Written Communications requirement and have a course number higher than ENGL 111. .

[2]Students planning to pursue a BBA degree can maximize transferability of their credits by taking **COMM 111** or **241**.

[3]Major electives include courses listed below. In addition, ***100-, 200-, 300-, or 400-level business courses not already applied to the major may be applied here***, *but by Academic Petition only. Please see your advisor before selecting courses not on this list to see if it is petition- able. No more than 3 credits of internship can be used to fulfill program electives.* **Students must satisfy course prerequisites before registering.**

BA 273	Intro to Statistics for Business & Economics	**Any 300- or 400-level LOG course**
BA 295	Internship in Business	OSH 101 Intro to Occupational Safety & Health
BA 375	Statistics for Business and Economics	OSH 108 Injury Prevention & Risk Management
BA 377	Operations Management	OSH 250 Hazardous Material Operation
ECON 312 Econometrics for Business and Economics		TECH 295 Technical Internship (1-6)
ECON 429 Business Forecasting (not currently offered)		TECH 302 Operational Safety

[4]The AAS Written Communication Skills Requirements can be satisfied with ENGL A111, CIOS 260A, ENGL 211, ENGL 212, ENGL 213, or ENGL 214. The option to take CIOS 260A applies to AAS degrees only. Students planning to pursue a BBA degree can maximize transferability of their credits by taking **ENGL 212**.

NOTE: A total of 60-61 credits is required for this associate degree. Students planning on seeking a BBA degree in the College of Business and Public Policy must complete all major requirements with a grade of C or better.

This is a suggested sequence for taking courses and is not intended to take the place of the program requirements listed in the UAA Catalog. Please contact your academic advisor for more information.

AAS LOGISTICS AND SUPPLY CHAIN OPERATIONS

The AAS Logistics and Supply Chain Operations program enables students to enhance and develop their understanding in the fields of logistics and supply chain operations. Students will build a foundation of knowledge and skills for successful logistics and supply chain operations: information management and customer service, warehousing and inventory control, purchasing and supply chain operations, transportation services, transportation rates, tariffs, and carrier liability.

Meet with your advisor to learn about the AAS Logistics and Supply Chain Operations
and employment options in this field.
