Elective[1]	3	___	___	Elective[1]	0-2	___	___
	15				12-14		

[1] Upper or lower division courses.

[2] ECON 201 **or** ECON 202 (not both) may be used to satisfy 3 credits of Social Science GER. The other 3 credits of Social Science GER will be met with completion of BA A151.

[3] The internship is intended to be in <u>logistics</u> and/or <u>supply chain management</u>. This requirement may be waived if the program advisor determines that the student already has significant work experience. If waived, the student will need to select 3 additional upper-division credits to total 48. Students must discuss the internship requirement with their advisor early in the semester, **before registering for this course.**

[4] Major electives may include courses listed here. In addition *300- or 400-level business courses may be used*, *but an Academic Petition must be approved before the course(s) can be counted toward the degree. Please see your advisor before selecting your 9 credits of upper-division electives.* **Students must satisfy course prerequisites before registering.**

ACCT 342	Managerial Cost Accounting	CIS 310	Analysis of Business Systems	DAU courses with LOG, ACQ or CON prefixes in acquisition management, logistics or procurement/supply chain management and approved by the Army Council on Education (ACE) for UD credit may be used as upper-division electives. Other ACE approved courses may be used with advisor approval.
ATP 332	Transport Aircraft Systems	CIS 330	Database Management Systems	
BA 347	International Marketing	CIS 410	Project Management	
BA 375	Statistics for Business & Economics	CIS 489	Systems Design & Implementation	
BA 383	Marketing Research	ECON 312	Econometrics	
ECON 363	International Economics	ECON 429	Bus Forecasting (no longer offered)	

[5] For BBA students, COMM A111 or COMM A241 is required for upper-division standing and is a prerequisite for CIS A280.

[6] Admission to Upper-Division Standing does not waive individual course prerequisites (e.g., course pre-requisites for BA 377 are: BA 273 and MATH 221/251).

NOTE: A total of 120 credits is required for the BBA degree, 48 of which must be upper-division. At least 50% of the business credits (ACCT, BA, CIS, ECON, LGOP and LOG) required for the BBA degree must be earned at the University of Alaska Anchorage.
A grade of C or better is required for all major requirements.
This is a suggested sequence for taking courses and it not intended to take the place of the program requirements listed in the UAA Catalog. Please contact your academic advisor for more information.

BBA GLOBAL LOGISTICS AND SUPPLY CHAIN MANAGEMENT

The BBA in Global Logistics and Supply Chain Management offers students the opportunity to study in an exciting and critical business field. Logistics uses human and financial resources to facilitate: purchasing, transportation, production, warehousing, distribution and customer service along a supply chain. The BBA GLSCM degree was designed, in collaboration with industry, to meet the real-life needs of domestic and international businesses. This degree is supported by numerous Anchorage business partners who recognize the importance of logistics and supply chain management in Alaska.

Meet with your advisor to learn more about the BBA in Global Logistics and Supply Chain Management and employment opportunities in this exciting business field. Visit http://logistics.alaska.edu to learn more.
