1. This MATH 121 or 151 major requirement will fulfill the GER Quantitative requirement for AAS degrees. Students who decide to pursue a baccalaureate degree in business can maximize transferability of their credits by continuing with MATH 221/251.

2. Students planning to pursue a BBA degree can maximize transferability of their credits by taking COMM 111 or 241.

3. Major electives include courses listed below. In addition, certain 100-, 200-, 300-, or 400-level BBA business courses not already applied to the major may be applied here, but by Academic Petition only. Please see your advisor before selecting courses not on this list to see if they can be petitioned. No more than 3 credits of internship can be used to fulfill program electives. Students must satisfy course prerequisites before registering.

- BA 273 Intro to Statistics for Business & Economics
- BA 295 Internship in Business Administration
- BA 375 Statistics for Business and Economics
- BA 377 Operations Management
- ECON 312 Econometrics for Business and Economics
- ECON 329 Economic and Business Forecasting
- Any 300- or 400-level LOG course
- OSH 101 Intro to Occupational Safety & Health
- OSH 108 Injury Prevention and Risk Management
- OSH 250 Hazardous Material Operations
- TECH 295 Technical Internship (1-6)
- TECH 302 Organizational Safety and Health

4. The AAS Written Communication Skills Requirements can be satisfied with WRTG 111, WRTG 211, WRTG 212, WRTG 213, or WRTG 214. Students planning to pursue a BBA degree can maximize transferability of their credits by taking WRTG 111 and WRTG 212.

**NOTE:** A minimum of 60 credits is required for this associate degree. Students planning on seeking a BBA degree in the College of Business and Public Policy must complete all major requirements with a grade of C or better.

This is a suggested sequence for taking courses and is not intended to take the place of the program requirements listed in the UAA Catalog. Please contact your academic advisor for more information.
