<sup>1</sup> Upper or lower-division courses.

<sup>2</sup> A combination of ECON 201, ECON 202, and BA A151 will fulfill the GER Social Science 6 credit requirement.

<sup>3</sup> Required Accounting electives to be selected from the following list:

ACCT 401 Advanced Accounting                      ACCT 410 Corp/Partnership Income Tax \*\*                      ACCT 430 Governmental/Non-Profit Acct  
ACCT 409 Individual Income Tax\*\*                      ACCT 420 Fraud Examination

\*\* Students may use one for the Major requirement and one for the U/D ACCT Elective – courses may not be used to fulfill multiple requirements

<sup>4</sup> For BBA students, COMM 111 or COMM 241 is required for upper-division standing and is a prerequisite for CIS 280.

<sup>5</sup> ACCT 301 and ACCT 302 must be completed at the University of Alaska Anchorage, or another AACSB accredited institution.

<sup>6</sup> Admission to Upper-Division Standing does not waive individual course prerequisites. See UA Online or the catalog for course prerequisites.

<sup>7</sup> Students are required to complete a minimum of three credits of Alaska Native-Themed GER coursework from the approved GER list. If the course is also categorized as a GER (in a separate category), it can overlap and count for both categories. If this overlap occurs, then for this planning sheet, students will fulfill these 3 credits with an Elective instead (see note 1 above).

**NOTE:** A total of 120 credits is required for the BBA degree, 48 of which must be upper-division. At least 50% of the business credits (ACCT, BA, CIS, ECON, LGOP and LOG) required for the BBA degree must be earned at the University of Alaska Anchorage. **A grade of C or better is required for all major requirements.**

**This is a suggested sequence for taking courses and is not intended to take the place of the program requirements listed in the UAA Catalog.**

# BBA ACCOUNTING

Accounting is often referred to as the “language of business,” because it communicates economic information to decision-makers. Every business organization, non-profit entity, and governmental agency requires accounting information to operate and perform successfully. The BBA in Accounting gives students a broad-based business background and provides a solid foundation for careers in public accounting, private accounting, and accounting for government or non-profit organizations.

Meet with your advisor to learn about the BBA in Accounting  
and employment options in this field.
