¹ Upper or lower division-courses.

² A combination of ECON 201, ECON 202, and BA A151 will fulfill the GER Social Science 6 credit requirement.

³ Complete 12 credits from the following upper-division Finance electives:

BA 426 Financial Institutions	BA 451 Advanced Investment Strategies	BA 453 Bond Market Analysis
BA 427 International Finance	BA 452 Financial Derivatives	

⁴ Complete 6 credits in upper-division business in ACCT, BA, CIS, ECON, or LOG, or another class from the list in footnote 3.

⁵ For BBA students, COMM 111 or COMM 241 is required for upper-division standing and is a prerequisite for CIS 280.

⁶ Admission to Upper-Division Standing does not waive individual course prerequisites. See UA Online or the catalog for course prerequisites.

⁷ Students are required to complete a minimum of three credits of Alaska Native-Themed GER coursework from the approved GER list. If the course is also categorized as a GER (in a separate category), it can overlap and count for both categories. If this overlap occurs, then for this planning sheet, students will fulfill these 3 credits with an Elective instead (see note 1 above).

NOTE: A total of 120 credits is required for the BBA degree, 48 of which must be upper-division. At least 50% of the business credits (ACCT, BA, CIS, ECON, LGOP and LOG) required for the BBA degree must be earned at the University of Alaska Anchorage.

A grade of C or better is required for all major requirements. This is a suggested sequence for taking courses and is not intended to take the place of the program requirements listed in the UAA Catalog. Please contact your academic advisor for more information.

BBA FINANCE

The study of finance provides students with the tools needed to manage the financial resources of a business, a portfolio, or a person. The concepts covered in this major include financial planning, analysis, and management in a global context. Students will take an in-depth look at functions, structures, delivery systems, efficiency and performance measures for financial markets and institutions. The study of finance encompasses the creation of values for the stockholder, stakeholders, and society in general. Graduates with a BBA Finance degree typically find employment in corporations, non-profit and for-profit organizations.

Meet with your advisor to learn about the BBA in Finance
and employment options in this field.
