Business Elective ⁵	<u>3</u>	_____	_____	Elective ⁶	<u>3</u>	_____	_____
	15				15		

¹ Students planning to pursue a BBA degree can maximize transferability of their credits by taking **COMM 111** or **241**.

² ACCT 101 and 102 may be substituted for ACCT 201. Please see your advisor for explanation and recommendation.

³ Students must complete 3 credits from MATH 105, 121, 151, 221, or 251 for this program. This will also fulfill the GER requirement for the AAS degree, which requires 3 credits from the GER Quantitative Skills list or MATH A105. Students planning on continuing with a Baccalaureate degree in business should continue with their Math sequence. CBPP students should not take MATH 104, 113 or 115, as those are terminal courses and do not fulfill program prerequisite requirements.

⁴ The AAS Written Communication Skills Requirements can be satisfied with WRTG 111, WRTG 211, WRTG 212, WRTG 213, or WRTG 214. Students planning to pursue a BBA degree can maximize transferability of their credits by taking **WRTG 111** and **WRTG 212**.

⁵ Complete **9** credits of Advisor Approved Business Electives (ACCT, BA, CIS, ECON, LGOP, or LOG - any course at the 100-400 level that you meet the prerequisite for and that is not already required for the program). Please see your advisor for recommended business courses that may transfer into a future baccalaureate program.

⁶ Any 100-400 level course (any subject), not already applied towards the degree.

This program requires courses be completed with a C or better.

A minimum of 60 credits is required for this degree, 15 of which must be completed in residence at UAA.

This is a suggested sequence for taking courses and is not intended to take the place of the program requirements listed in the UAA Catalog
Please contact your academic advisor for more information.
