Notes

¹ECON A101, ECON A102, and BA A151 fulfills the GER Social Science 6 credit requirement.

²Students considering a BBA program should choose COMM A111 or COMM A241 and WRTG A212.

³Any 100-400 level course of any subject that is not already applied towards the degree.

⁴Students need to finish three credits of Alaska Native-Themed GER and three credits of Diversity & Inclusion GER coursework, without using the same course for both requirements. If there's overlap with another Tier II GER category, students can fulfill the three credits with an elective instead.

⁵BA A375 and BADA A470 may be applied here. No more than a total of six credits in an Independent Study or ECON A454.

⁶Upper-division electives must be at the 300 or 400-level.

⁷ECON A454 cannot be counted towards this requirement.

⁸Course is only offered in the spring semester.
