## Notes

<sup>1</sup>ECON A101, ECON A102, and BA A151 fulfills the GER Social Science 6 credit requirement.

<sup>2</sup>COMM A111 or COMM A241 is a prerequisite for BA A280.

<sup>3</sup>Any 100-400 level course of any subject that is not already applied towards the degree.

<sup>4</sup>Students need to finish three credits of Alaska Native-Themed GER and three credits of Diversity & Inclusion GER coursework, without using the same course for both requirements. If there's overlap with another Tier II GER category, students can fulfill the three credits with an elective instead.

<sup>5</sup>BA A375 and BADA A470 may be applied here. No more than a total of six credits in an Independent Study or ECON A454.

<sup>6</sup>Complete three credits of lower-division business electives in ACCT, BA, BADA, ECON, or LOG.

<sup>7</sup>ECON A454 cannot be counted towards this requirement.

<sup>8</sup>Course is only offered in the spring semester.
